Christmas is coming...

Q: What do you buy for the person who has everything?

A: How about a Zimbabwe Gift Voucher?

Buy £5, £10, £15 or £20 vouchers for Food Aid, Education, Bible Training, Medical Aid, Staff Support, Library and IT Resources

A Project of Paraclete Christian Network International

www.paraclete.org.uk Charity no: 1019767

Once again this year, Paraclete Christian Network International (PCNI) has Christmas Gift Vouchers for purchase to help support the work done in Zimbabwe via their Training Centre in Kuwadzana, Harare. (For more details visit [www. paraclete.org.uk](http://www.paraclete.org.uk)) Each type of voucher is available for £5, £10, £15 or £20. (The value is not displayed on the voucher). For this you will receive a Zimbabwe picture Christmas card with the voucher plus a leaflet explaining the work PCNI is seeking to do in this very needy part of the world. There are currently 6 vouchers to choose from:

Voucher 1: Educational

Education in Zimbabwe is a vital, much sought after resource. Despite all the deprivations, parents are keen for their children to go to the best schools. Purchasing an educational voucher, means money can be donated to support the children in the centre's secondary school—to get more textbooks and educational aids and help towards school fees for some of the most needy, deserving students.

Voucher 2: Running Resources

The training Centre is, by African standards, a well run, well equipped resource employing 18 local people - a Director, school teachers, administrator, librarian, computer technician /teacher, Bible School tutors, cook, cleaners, security guards and a gardener. Money raised through buying this voucher helps towards remunerating our staff who are vital to this ministry and towards the day to day running costs at the centre.

Voucher 3: Food Aid

It goes without saying that many families in Zimbabwe are struggling to feed themselves - particularly those who have had a death in the family and are supporting the children of a deceased relative or those providing a home for orphans. This Christmas and beyond into 2024, money raised via food vouchers will go towards buying food such as maize, cooking oil, salt, sugar, matemba (dried fish), rice,, tea, and sweets which will be boxed up and delivered by local church members to needy families in the Kuwadzana community bringing much needed hope and joy.

Voucher 4: Bible School Voucher

At the heart of the Training Centre is Paraclete Kuwadzana Bible School which seeks to provide Christian training for both lay people and pastors in the local community. Each year there are students who want to study but cannot afford even the very modest fees. Money raised through Bible School vouchers will go towards sponsoring the poorest students to study and to contribute towards the graduation ceremony costs which is a time of great rejoicing.

Voucher 5: Medical Aid

As you can imagine, health is a vital factor in poor, high density areas and when sickness strikes, many Zimbabweans are unable to afford the medicines or treatment they need to get well again. Money donated via medical aid vouchers will be administered by a local pharmacist who knows of sick people in the community needing help.

Voucher 6: Library and IT voucher

The Training Centre houses the only Library in Kuwadzana Township and is a vital resource both for the secondary school and people from the community coming in for study purposes. It also has a small IT zone, again a vital resource where few people can afford a computer. Money raised through this voucher means additional key textbooks required locally can be purchased and it will help resource the IT zone with consumables and keep it up and running.
